Dear Families,

We're pleased to announce our return to in-person classes following the Fall Break. The school will be open for classroom in-person instruction beginning Monday, October 19, 2020 with all classes operating as self-contained. Our music teacher will go into each grade level classroom to conduct her lessons and each classroom teacher will conduct their own Physical Education (PE). There will be opportunities for orchestra with an adjusted schedule with sections meeting at different times.

The requirement for face coverings will still be in place at the beginning of in-person classroom instruction. If your child has their own mask they may wear it. If your child does not have a mask we will provide one for them. We also have face shields available for those who cannot wear facemasks or desire to wear a face shield rather than a mask. Our COVID-19 mitigation plan and procedures are posted on the school website.

I am looking forward to seeing each of the students as we transition to in-person classroom instruction. We will continue to offer distance learning for those who desire that option. Please note, if you choose distance learning it will be for the entire quarter, which will be the 2nd quarter. Delivery times of packets and meals for those choosing the distance learning option will be posted on the website by October 9, 2020.

This is a challenging time for all of us and we truly appreciate your continued support as we work together to provide the best education possible for our students.

Sincerely,

A handwritten signature in black ink, appearing to read "David Embrey".

Mr. David Embrey
District Administrator
